

The University of Iowa History of Medicine Society  
invites you to hear:

Mary Gilchrist, Retired Director and Professor of the University of Iowa Hygienic Lab

and

Russell Currier, Past President, American Veterinary Medical History Society.

## From the Iowa Cow Wars of the Depression Era to the Raw Milk Battles of the 21st Century -- Protecting Iowans' Health One Tussle at a Time

Thursday, February 26 2015, 5:30-6:30  
MERF 2117

THE COURTS SUSTAIN THE PASTEURIZATION ORDER.  
(Reproduced from the Philadelphia North American.)

One of the most convincing arguments that we have made against raw milk is that although advocates say it is as natural as mother's milk, in contrast to humans the "faucet" of the cow is placed in the line of fire and we all know that "feces flow downhill".
