

The University of Iowa History of Medicine Society invites you to hear:

Healthcare for Native Americans - triumphs and tragedies

E. A. (Tony) Franken, Jr., MD

Professor Emeritus
Department of Radiology
University of Iowa

Thursday, November 19, 2015, 5:30-6:30
Medical Education Research Facility (MERF) 2117

The health status of Native Americans has, for 200 years, been substantially poorer than that of other US citizens. Responsibility for their healthcare has (theoretically) been the federal government. The ups and downs of this unique arrangement, many of them detrimental, are detailed, as well as the special status of these Indians in our society today.

If you are a person with a disability requiring an accommodation in order to participate in this program, please contact Donna Hirst, Hardin Library for the Health Sciences (donna-hirst@uiowa.edu), 335-9154.
