

1871: First Medical Classes located in south end of South Hall

Old Capitol

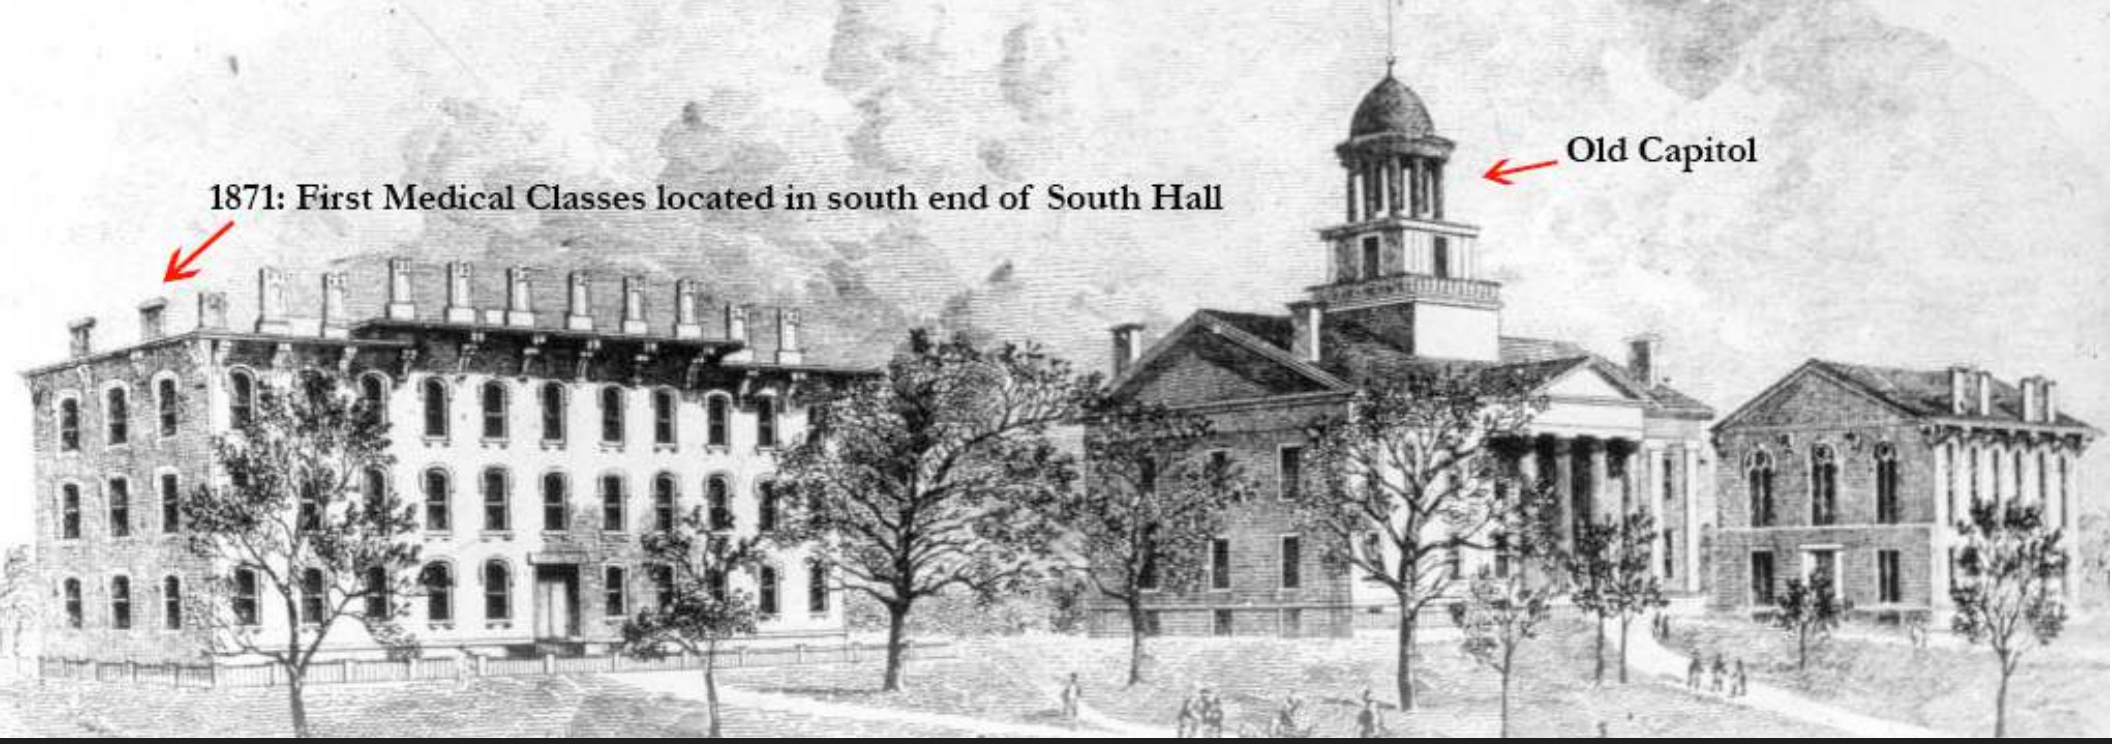

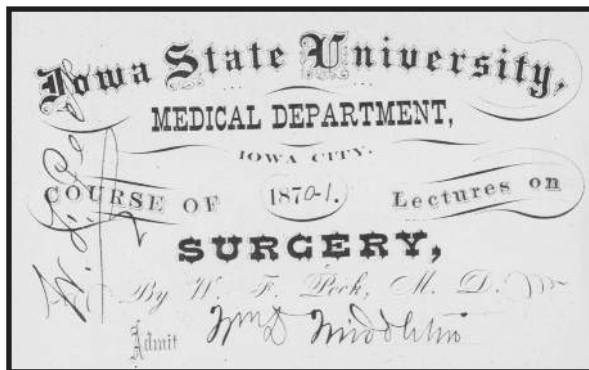

Exhibit Opening, Hardin Library, Fall 2015 COLLEGE OF MEDICINE 1870-1928

College of Medicine objects, photographs, and manuscripts date back to the official opening of the school in 1870 and even earlier. Follow the timeline and the structures which supported the education. These 58 years include whimsy and catastrophe as well as major changes in basic medical education.
