

The University of Iowa History of Medicine Society and the University Libraries
invite you to an
Open House in the John Martin Rare Book Room

Early Modern England: Medicine, Shakespeare, and Books

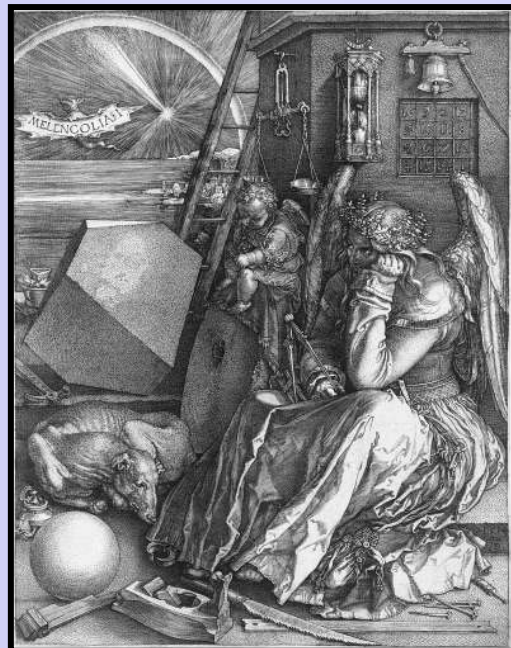

Thursday, March 23, 2017, 4:00-7:00

John Martin Rare Book Room, 4th floor
Hardin Library for the Health Sciences

Thirty seven books from 1531 to 1697 will be on display highlighting general medical beliefs, herbals, monsters, poisons and cures, contemporaries of Shakespeare, and doctors in Shakespeare's plays.

Wolfsbane. *Henry IV, Part II*

Robert Burton, *The Anatomy of Melancholy*, 1624

Sir Francis Bacon. *Sylva Sylvarum, or A natural history*, 1670
