

New Exhibit, October 2017 to Spring 2018  
Hardin Library for the Health Sciences, 3rd floor

# World War I—Medical Issues at Home and in the Field

Seven books addressing issues from WWI are on display. Wall displays highlight nutrition and the war effort, gas warfare, influenza, shell shock and efforts undertaken by Iowans to support the war effort.

LEARN TO ADJUST YOUR RESPIRATOR  
**CORRECT and QUICK**  
Don't breathe while doing it, and this won't happen to you.
