Applicant Information

Undergraduate Library Research Award
Thank you for your interest in applying for the Undergraduate Library Research Award. To submit a complete application you will be asked to upload a bibliography or a list of the resources you consulted.
*You must be registered to present at the Spring Undergraduate Research Festival before applying.

Note: It is recommend you write your answers to open ended questions in a Word document and copy and paste into the application. To save and continue later, you must log into the same computer and browser you initially began the application and navigate to the application link from the award website. If you have any issues with the application or believe you accidentally submitted an incomplete application, please contact Jenay Solomon (jenay-solomon@uiowa.edu) or resubmit.

Name (First name Last name)

UI Email address

Year (Freshman, Sophomore, Junior, Senior)

Major
Please confirm that you are registered to present in the Spring Undergraduate Research Festival.

- Yes, I am registered to present

Did you talk with a librarian for assistance on finding sources or other information for your research?

- Yes
- No

If you have met with a librarian please state their name if known. If you do not remember leave blank.

Essay portion

Please describe your research you will be presenting at SURF. If you already have an abstract from a previous application, you may copy and paste.

Tell us how and when you became interested in this research and why it’s important to you?

Please select the following resources, services, or materials from the UI Libraries you used throughout your research:

- Librarians or Library staff

Describe your research process and selection of library resources, services, or materials in a Word Document. In 500-1000 words, please address the following:

- Overall research strategy explaining the steps and methods used to conduct your research.
- Process of selection and evaluation of library resources or materials.
- Integration and synthesis of library resources, materials, or services.
- Usage and role of the UI Libraries in the context of your research.

Uploaded materials

Bibliography or a listing of resources, materials, or services consulted.
